OUR SERVICES

1. Marine Transportation

We provide barge transportation services, towed by tugboats, to transport cargo from one port to another. Cargo includes clinker, petroleum coke (pet coke), copper slag, other related materials and equipment.

2. Shipping & Forwarding

Our services include customs declaration and clearance, as well as arranging transportation by land, air, and sea to ensure smooth and efficient delivery.

3. Bunkering

We are a licensed bunker supplier with valid PDA approvals. We supply bunker fuel to vessels either alongside or at anchorage.

4. Crew Management

Our comprehensive crew management services include sign-on and sign-off arrangements, as well as coordinating crew matters with relevant authorities and agencies.

5. Naval Support Service

We provide ground support services for visiting naval vessels, including securing safe berthing, fenders, gangway/brow arrangements, provisioning, and transportation as required.
